Character Development Camp for Girls
"A Girls Royal Journey!"

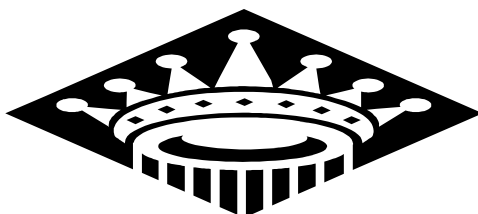

M.A.J.E.S.T.I.C. summer day camp for girls was founded by Melanie R. Finley, a middle school counselor who noticed a need for continued support outside of school for girls in the areas of self-esteem, respect, honesty, personal hygiene and health, citizenship, anger management, goal setting, and much more. The acronym, **M.A.J.E.S.T.I.C.**, stands for Motivated, Articulate, Jazzy, Exuberant, Spectacular, Tenacious, Inquisitive, and Confident. It is the goal of the camp to foster positive self-images in pre-teen girls by teaching character traits, using positive reinforcement, creating fun and engaging activities and exercises, and modeling behaviors that will encourage girls to become their personal best. Along with teaching traits of character, music, art, speech, dance, etiquette and sports will be integrated into the character-based curriculum. The campers will be taught two traits per day for five days and will make tangible items to symbolize the traits.

On Saturday morning following the five-day camp, each camper will be recognized in a culminating event called the *Pre-Teen to Princess Ceremony*. The event will begin with music and dance presentation, and each girl will recite a speech where they will summarize the character traits that have impacted them the most during the week. Next, the girls will change into white dresses, tiaras, and presented with a rose from their camp counselor. During the ceremony, each girl will sign an oath promising to uphold the traits that were learned during the **M.A.J.E.S.T.I.C.** camp.

The registration fee is **\$80.00** per camper, which will include an official camp T-shirt and other camp items. *We want your Princess to be apart of this royal camp!*

Please note that elementary-aged (5-13) recreational programs operated by the City are recreational in nature and are not licensed by the state of Texas and is not a licensed child-care facility.
